

ControlEdge PLC Control with an Edge

ControlEdge™ PLC, when combined with Experion®, reduces integration costs for balance of plant operations, minimizes downtime through unified support, decreases risk with embedded cyber security, and lowers total cost of ownership through extended system lifecycle.

- Easy configuration
- Efficient operations
- Reduced maintenance
- Faster device commissioning
- Improved device diagnostics

What is ControlEdge PLC?

The latest in our next-generation family of controllers

The first IIoT-ready PLC integrated with DCS

Supports Honeywell's IIoT-ready initiative

How Does ControlEdge Provide a Solution?

EXPERION INTEGRATION

- Standardization of solution
- Leaner control room
- Reduced lifecycle maintenance

OPC UA PROTOCOL

- Open communications protocol
- Smooth device integration
- Easy configuration

FULLY INTEGRATED CYBERSECURITY

- Security built into PLC and Experion
- Preserve safety and availability
- Industrial cybersecurity solutions and managed services

HART-ENABLED UNIVERSAL I/O

- Flexible and scalable design
- Project/configuration efficiency
- Reduced spares inventory

What Else Does ControlEdge PLC offer End Users?

UNIVERSAL I/O - LEAP™ LEAN PROJECT EXECUTION

- Spares reduction
- Less infrastructure
- Improved project schedule, cost, risk
- Remote configuration

LIFECYCLE INVESTMENT PROTECTION

- Equipment integration
- Upgrades
- Migrations
