

**GEORGE T. HALL  
COMPANY**

CONTROLS • AUTOMATION • SOLUTIONS

George T. Hall (GTH) is a full-service control solutions provider. With design capabilities, programming expertise, instrumentation services, and control panel manufacturing, we create the control solutions at the core of critical industrial applications.

## **AUTOMATION SOLUTIONS FOR GREATER PRODUCT QUALITY AND SYSTEM EFFICIENCY**

### **Applications We Serve**

**Carbon Regeneration**

**Crushing and Conveying**

**Water Treatment**

## **MINING, MINERALS, & METALS EXPERTISE**

Mining, Minerals, and Metals applications require robust controls and experienced technical support. GTH's full team of engineers and technical field personnel is knowledgeable on the specific requirements of these systems. Our field engineers are MSHA and BROWZ certified so you can be confident they have the knowledge and PPE required to safely execute your project.

## **PLC MODERNIZATION**

From minimizing downtime to improving security, there are many benefits to modernizing existing PLCs. Our upgrade and migration solutions allow you to upgrade while preserving your maximum hardware and software investment. Plus, with our team of technical field engineers, we are able to assist with the system upgrade if you do not have the necessary personnel.

## **UL PANEL & FIELD SERVICES**

As a full-service control panel provider, we design, engineer, assemble, wire, quality test, and start-up your panel to meet your exact specifications. At our two UL certified panel shops, we use the highest quality UL listed components to ensure your system is designed to operate reliably across its anticipated lifetime.

## **SCADA PROGRAMMING**

With the advent of IIoT, SCADA systems are no longer limited to just gathering data points. Our Field Engineers are capable of enhancing systems with additional functionality such as Asset Performance Management (APM), allowing users to monitor system performance, access predictive maintenance, and track reliability across the facility. These innovative systems also allow for increased remote access capabilities and reporting so your data is both visible and usable in real-time.

## PARTNERSHIPS

With George T. Hall, there's a century of expertise built into every solution. We bring experience and intuition to automation challenges and create sustainable, reliable solutions for our customers. We'll work within the framework of your existing technology to modernize operations or design new solutions when you're looking to expand. GTH is your design-minded, solution-oriented automation partner, let us put our experience to work for you.

## Certifications & Alliances

State Contractors Licenses  
CA #920775 | NV #0068362

Public Works Registration  
CA #1000007118

UL508A Certified  
#E120534

## Hear why our clients continue to work with GTH:

"George T. Hall is absolutely one of our best contractors. From proposal to delivery, they're clear, on-schedule, and able to produce a solution for us. With us, they started with control panels, and now perform startup procedures, wire checks, and integrations with other equipment - they're not only delivering products but have a vested interest in ensuring our solution works well for us. Any time I get the GTH team on a project, I know it will be taken care of."

## Quality

"Quality is most important to us. If something isn't right, we would rather do it ourselves. GTH holds our standard for quality high, making them easy to trust."

## Reliability

"Their commitment to follow through and get things done when they're supposed to is impeccable. They are always on or ahead of schedule."

## Expertise

"It's the knowledge they bring as a system integrator about how to program products specifically to our needs in a way that adds value to us."
